

Hello Fellow Directors,

If you are performing on TUESDAY, this letter is for you. (Map and directions attached) Upon arrival at Buddy Holly Hall, please have buses drop off your group south of Buddy Holly Hall off of Mac Davis. Enter through the main set of double doors EAST of the Space-ship-looking box office. Buses may park in the parking lot directly south of BHH. After sight-reading, your students will exit through the south-facing doors WEST of the Space-ship-looking box office. You will have to exit and then re-enter through the doors you originally entered to pick up your materials.

The contest office will be located directly to the left by the Space-ship-looking box office as you enter BHH. You will check in and receive results in this area. **Please have your Scores, Form 1, announcer sheet, and stage set-up sheet ready for check in.** Bring these with you rather than emailing them to me. Announcer sheets and Stage set-up sheets are attached to this email.

During the contest, each choir will have a student host who will guide them throughout the day. Please plan your arrival, so you may go directly to warm-up. If you have two groups, please have the non-performing group enter the building at a time when they may go directly to the auditorium rather than waiting in the lobby or outside the auditorium doors. You may also wait on the bus in front of BHH until the appropriate time to enter. Please do not leave your students unattended by a chaperone **ever**.

Please remember that our venue is a professional facility and should be treated accordingly. Please prepare your students to use appropriate, respectful behavior, so we will be allowed to use this as a contest site in the future. Also, please do not let individuals wander away from the group.

The lobby is located directly outside the warm-up room, so please be sure that your groups remain quiet so they will not interrupt another group's warm-up time.

There are many restaurants on University Ave, which is just one mile west of Ave. Q, such as Raising Canes, Chik-fil-A, Panda Express, Firehouse Subs, Whataburger, and many more. Ave Q has a few restaurants to offer as well.

Please don't hesitate to email me if you have any logistical questions or need any other information not listed in this email. Blessings on you all in your performances!

Sincerely,

~ Catherine Stevenson
