Greetings Directors and Judges,

I am pleased to be hosting the UIL Concert and Sight-Reading Contest again this year!

Broadway Church of Christ is located in downtown Lubbock at 1924 Broadway St. Upon arrival, please have buses drop your group off in the parking lot East of the building. Enter through the first set of double doors. Your bus can park in the parking lot directly North of the building. Your students will exit from the East side of the building and will need to walk to the North parking lot to load the bus.

Please remember that our venue is a church and should be treated accordingly. Prepare your students to use appropriate conduct so we can host at this venue in the future.

The contest office will be located directly to the left as you enter the foyer. Check in and receive results in this area. **Please have your Form 1, announcer sheet, and stage instruction sheet ready for your host.**

The foyer is located directly outside the warm-up room, so please be sure that your groups remain quiet to not interrupt another group's warm-up time. Warm-up will be in the room right off the foyer, concert in the auditorium, and sight reading in an upstairs classroom. An elevator is available if needed.

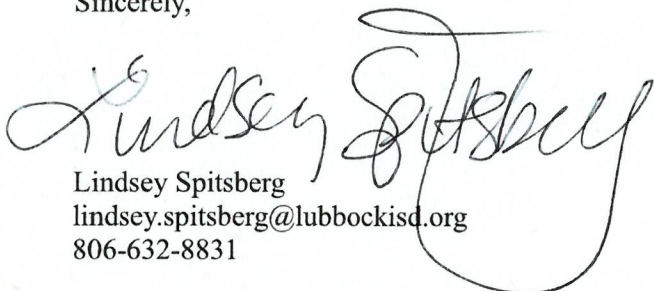

During the contest, each choir will have a student host who will guide them throughout the day. If you arrive early, your students can sit in the auditorium to watch other groups. Please be sure that there is a chaperone who can remind the students to stay quiet during performances and not clap until after the 3rd piece.

We will not provide lunch for your students at the contest. If you plan to have lunch in town, you have several choices in downtown Lubbock. There is a Whataburger on 19th & Ave. Q, a McDonald's on 19th and University, and many other options to explore. Let me know if you need a more specific suggestion.

If you need a space to change, please let me know as soon as possible. This space is limited.

Please don't hesitate to email me if you have any logistical questions or need any other information not listed in this letter. I hope your UIL experience is fantastic!

Sincerely,

Lindsey Spitsberg
